

KIDS GOLDTM

Introduction

Kids Gold is established in the year of 2016, with the motive of manufacturing Kids Furniture, Kids Theme Furniture, Kids Cartoon Theme based Furniture for Home and Institutional use. Kids Gold are manufacturing premier quality kids furniture at Ludhiana especially for today's kids.

Quality

At Kids Gold you'll find some of the most exciting, stylish and safe furniture custom-built for kids. Our Quality and Latest manufacturing techniques makes our fine furniture even more attractive and with affordable prices.

Products Range

Our products range includes Cartoon theme based furniture like Kids Study Desk Set, Kids Bed, Baby Bed, Kids Ladder, Baby Ladder, Kids Cupboard, Kids Almira, Kids Wardrobe, Kids Bed Table etc. These furniture items are appreciated among our customers for their perfect finish, sturdy construction, eye-catching appearance, contemporary design and longer serving life. In addition, the offered series is available with us in numerous sizes, shapes, and designs. All our products are made by employing the advanced techniques and optimum quality based steels and wood that is bought from dependable dealers of the market.

Infrastructure

All Kids Gold products are manufactured out of a combination of pre-laminated particle boards. These products can safely be assembled & re-assembled without any problem. All edges are rounded and Child friendly PU paints are used for coating. We have advanced machines and sharp cutting tools to give excellent finishing to all our products. Products offered are extensively used in schools, homes, offices and various other places. All presented products are totally free

from termite and light in weight & portable. Also we do admirable polishing in our products to keep these products safe from termite for several years.

Our Team

Kids Gold team comprises designers, quality analyzers, craftsmen, sourcing agents, sales and marketing executives and warehousing & packaging professionals. These professionals were selected by conducting rigorous selection techniques to assess their knowledge, skills and experience. Utilizing their experience and skills, we have been competent to cater to the precise requirements of our patrons in the most efficient manner. We also strive to keep cordial associations with our customers by helping them in making the right selection of products and delivering their placed orders punctual. Due to all these causes, we have been competent to carve a niche for ourselves in this realm.

Client Satisfaction
